May 4, 2017 (Annapolis, MD) – Hague Quality Water of Maryland is pleased to announce it has been named a recipient of the 2017 *Best of HomeAdvisor Award*. This award honors top-notch professionals who provide extraordinary quality, service and value in the home improvement and maintenance industries.

“Our goal is to improve every customer’s life with better water,” said Hague’s Director of Finance Kathleen Bridgeman. “This award is a testament to providing service that exceeds our customers’ expectations.”

After 10 years of outstanding service with HomeAdvisor, Hague Quality Water of Maryland has been recognized with this award.

“Millions of homeowners across the nation trust HomeAdvisor to help them find a dependable, qualified professional for their home improvement projects,” said HomeAdvisor’s President Craig Smith. “Between outstanding work practices, excellent customer service and overall value, the service providers that receive our “Best of” award consistently demonstrate this sense of quality.”

Award recipients were selected based on positive reviews earned in quality of work practices, customer service and value. To qualify, they must have a minimum rating of four based on a scale of one to five, be active members in good standing and have at least three verified reviews submitted within the last six months.
